Guardians of the
MLSA Awards of Excellence

INTERESTED IN BECOMING A LANDSCAPER?

LOOKING FOR A TRAINEESHIP?

The MLSAs Introduction to Landscaping program offers a 9 week intensive program to help people start their career in the landscaping profession. Delivered in partnership with TAFE and supported by the Government of South Australia, participants undertake 3 accredited units from the Certificate III in Landscape Construction at **NO COST**. Through the program, MLSA works with participants and employers to help develop the foundation skills necessary for a successful traineeship with a landscaping business.

WHAT THE PROGRAM GIVES YOU

Support to find a Landscape Traineeship

We will work with you to help you find a Traineeship with a Master Landscaper business.

Training at NO COST TO YOU

The opportunity to complete 3 accredited units from the Certificate III in Landscape Construction, and optional targeted training and information sessions to support your knowledge and help you network within the industry.

Gear at NO COST TO YOU

The safety gear you need to undertake the training and help be site ready for a Traineeship.

Fast-tracking

The opportunity to complete 3 of your 15 units of accredited training fast, means you can contribute more on site earlier and spend less time away from site for training later on - making you a very attractive candidate.

WE'LL CONNECT YOU WITH INTERESTED MEMBERS

Master Landscapers of South Australia (MLSA) Members are looking for new Team Members! The industry is going through a boom, so there's plenty of work to be done. If you're interested in becoming a landscaper, simply register your interest, skills and experience, and we'll connect you with potential employers in the industry.

Master Landscapers of SA (MLSA) is the professional industry body for landscape design, construction and garden maintenance in Adelaide and regional South Australia.

We build capacity and capability across the industry, ensuring Members deliver the highest quality standards and levels of professionalism for their customers.

We provide an essential role for members and customers alike. We provide professional development and skills enhancement to ensure that members have the knowledge and information to always display the best practice demanded of a verified Master Landscaper.
