Part 2—The Construction Industry Training Board

4—Constitution of the Board

- (1) The *Construction Industry Training Board* continues in existence.

Note—

See also section 32A.

- (2) The Board—
 - (a) is a body corporate with perpetual succession and a common seal; and
 - (b) is capable of suing and being sued in its corporate name; and
 - (c) has the functions and powers assigned or conferred by or under this Act.
- (3) The Board is not part of the Crown, nor is it an agency or instrumentality of the Crown.

- (4) On the commencement of this Act, the incorporation of the Construction Industry Training Council (S.A.) Incorporated under the *Associations Incorporation Act 1985* is terminated.
- (5) A reference in an instrument to the Construction Industry Training Council (S.A.) Incorporated will, where the context admits, be construed as a reference to the Board.

5—Composition of the Board

- (1) Subject to this section, the Board consists of up to 12 members appointed by the Governor on the nomination of the Minister, who collectively have skills, knowledge and experience that the Minister considers appropriate to enable the members to carry out the functions of the Board, of whom—
 - (a) 4 persons are appointed to represent the interests of employers in the building and construction industry; and
 - (b) 4 persons are appointed to represent the interests of employees in the building and construction industry.
- (1aaa) An employee or officer of an organisation, or of a branch or division of an organisation, must not be appointed as a member, or as a deputy of a member, of the Board while that organisation, branch or division (as the case requires) is under administration pursuant to the *Fair Work (Registered Organisations) Act 2009* of the Commonwealth in respect of its operations in the State.
- (1aa) Before nominating a person referred to in subsection (1)(a) and (b), the Minister must—
 - (a) consult with the bodies prescribed by the regulations for the purposes of nominations of the relevant kind; and
 - (b) comply with any other requirements set out by the regulations.
- (1ab) A person nominated by the Minister for the purposes of subsection (1) (other than for the purposes of subsection (1)(a) or (b)) must, in the opinion of the Minister, be independent of the building and construction industry.
- (1a) The Governor must appoint 1 of the members (not being a member of a kind referred to in subsection (1)(a) or (b)) to be the presiding member of the Board.
- (1b) The Minister must, before nominating a person for appointment to the Board under subsection (1), consult with the presiding member of the Board (unless the office of presiding member is vacant).
- (1c) The Minister must, in making nominations for appointment to the Board (other than for the purposes of subsection (1)(a) or (b)), seek to ensure that the membership of the Board comprises persons who together have the knowledge, skills and experience necessary to enable the Board to carry out its functions effectively.
- (1d) The Minister must, before nominating a person for appointment as a member of the Board (other than as a nomination for the purposes of subsection (1)(a) or (b), or to fill a casual vacancy on the Board), call for expressions of interest under a scheme determined by the Minister for the purposes of this subsection.

- (1e) However, the Minister need not comply with subsection (1d) in relation to the nomination of a person for appointment if—
 - (a) the Minister has previously called for expressions of interest in relation to the appointment of a member of the Board of the relevant kind; and
 - (b) the person nominated expressed interest in relation to such an appointment.
- (2) A member of the Board is to be appointed for a term (not exceeding three years) specified in the instrument of appointment and is, on the expiration of a term of office, eligible for reappointment.
- (3) The Governor may, on the nomination of the Minister, appoint a suitable person as a deputy of a member of the Board, and the deputy may act as a member of the Board in the absence of that member (however, a person cannot be appointed as a deputy of both a member referred to in subsection (1)(a) and a member referred to in subsection (1)(b)).
- (3a) To avoid doubt, nothing prevents a person from being the deputy of more than 1 member of the Board.
- (4) Without derogating from the other provisions of this Act, the Governor may remove a member of the Board from office for—
 - (a) misconduct; or
 - (b) incapacity to carry out satisfactorily duties of office; or
 - (c) failure to carry out satisfactorily duties of office.
- (5) The office of a member of the Board becomes vacant if the member—
 - (a) dies; or
 - (b) completes a term of office and is not reappointed; or
 - (c) resigns by written notice to the Minister; or
 - (d) is convicted of an indictable offence; or
 - (e) becomes bankrupt or applies to take the benefit of a law for the relief of insolvent debtors; or
 - (ea) is, or becomes, an employee or officer of an organisation, or of a branch or division of an organisation, while that organisation, branch or division (as the case requires) is under administration pursuant to the *Fair Work (Registered Organisations) Act 2009* of the Commonwealth in respect of its operations in the State; or
 - (f) is removed from office by the Governor.
- (5a) The appointment of a person as a deputy of a member is, by force of this subsection, revoked if the person is, or becomes, an employee or officer of an organisation, or of a branch or division of an organisation, while that organisation, branch or division (as the case requires) is under administration pursuant to the *Fair Work (Registered Organisations) Act 2009* of the Commonwealth in respect of its operations in the State.
- (6) On the office of a member becoming vacant, a person may be appointed in accordance with this section to the vacant office.

(6a) However, if—

(a) the office of a member of the Board becomes vacant before the expiry of the term of appointment specified in the member's instrument of appointment; and

(b) a person had been appointed to be the deputy of that member,

the person who had been appointed to be the deputy of the member may act as a member of the Board in respect of the vacant office—

(c) for the balance of the term of appointment referred to in paragraph (a); or

(d) until a person is appointed to the vacant office under this section,

whichever first occurs (and a reference in this Act to a member of the Board will be taken to include, unless the contrary intention appears, a reference to a person acting as a member under this subsection).

(7) An act of the Board is not invalid by reason only of a vacancy in its membership or a defect in the appointment of a member.

6—Immunity of members

- (1) A member of the Board incurs no liability for anything done honestly and with reasonable care and diligence in the performance or purported performance of functions or duties under this Act.
- (2) Any liability that would, but for this section, attach to a member attaches instead to the Board.

7—Procedures of the Board

- (1) A quorum of the Board consists of one half of the members of the Board (ignoring any fraction resulting from the division) plus 1.
- (2) The presiding member of the Board will preside at meetings of the Board or, in the absence of that member, a member chosen by those present will preside.
- (3) A decision supported by the majority of the votes cast by members present at a meeting of the Board is a decision of the Board.
- (4) Each member present at a meeting of the Board has 1 vote on any question arising for decision and, if the votes are equal, the member presiding at the meeting may exercise a casting vote.
- (6) A person nominated by the Minister may attend any meeting of the Board (however the person is not a member of the Board, is not entitled to vote on any question before the Board and cannot otherwise compromise the independence of the Board).
- (8) The Board must have accurate minutes kept of its proceedings.
- (9) Subject to this Act, the Board may determine its own proceedings.

8—Disclosure of interest

- (1) A member of the Board who has a direct or indirect personal or pecuniary interest in a matter decided or under consideration by the Board—
 - (a) must disclose the nature of the interest to the Board; and

- (b) must not take part in any deliberations or decisions of the Board on the matter.

Maximum penalty: \$10 000.

- (1a) A member of the Board will not be taken to have a direct or indirect interest in a matter for the purposes of this section by reason only of the fact that the member has an interest in a matter that is shared in common with those engaged in or associated with the construction industry generally, or a substantial section of those engaged in or associated with the construction industry.
- (2) It is a defence to a charge of an offence against subsection (1) to prove that the defendant was not, at the time of the alleged offence, aware of their interest in the matter.
- (3) A disclosure under this section must be recorded in the minutes of the Board.
- (4) If a member makes a disclosure of interest in respect of a contract or proposed contract—
 - (a) the contract is not liable to be avoided by the Board on the ground of the fiduciary relationship between the member and the Board; and
 - (b) the member is not liable to account to the Board for profits derived from the contract.

9—Members' duties of honesty, care and diligence etc

Maximum penalty: \$10 000.

Maximum penalty: \$20 000.
- (4) A member of the Board must not, whether within or outside the State, make improper use of their position as a member to gain, directly or indirectly, an advantage for themselves or for any other person or to cause detriment to the Board.

Maximum penalty: \$20 000.
- (5) This section has effect in addition to, and not in derogation of, any Act or law relating to the criminal or civil liability of a member of the governing body of a corporation and does not prevent the institution of any criminal or civil proceedings in respect of such a liability.
- (6) For the purposes of section 6, a person will not be taken to have acted honestly if the act constituted or involved contravention by the person of subsection (3) or (4) of this section.

10—Allowances and expenses

Division 3—Administration

18—Staff and resources

- (1) The staff of the Board are not public service employees.
- (2) The Board may, under an arrangement established by the Minister administering an administrative unit of the Public Service, make use of the services or staff of that administrative unit it considers necessary for the administration of this Act.

19—Collection agencies

- (1) The Board may appoint such persons or bodies to be collection agencies for the purposes of this Act as the Board thinks fit.
- (2) Any levy collected by a collection agency must be paid to the Board in accordance with instructions issued by the Board.
- (3) A collection agency is entitled to receive from the Board the remuneration agreed between the Board and the agency for carrying out the agency's functions under this Act.

Part 4—Levies

20—Imposition of levy

- (1) Subject to this Act, a levy is imposed in respect of any building or construction work which commences after the commencement of this Act.

21—Rate of levy

- (1) The rate of the levy is 0.25 per cent of the estimated value of building or construction work, or such other percentage not exceeding 0.5 per cent of that value as the regulations may prescribe.
- (2) A regulation must not be made for the purposes of subsection (1) except on a recommendation of the Board.

22—Estimated value of building or construction work

The estimated value of building or construction work will be determined in accordance with Schedule 1A.

23—Exemptions

- (1) The levy is not payable in respect of building or construction work if the estimated value of the work does not exceed the amount prescribed by the regulations.
- (2) The Board must, at least once in each 3 year period following the commencement of section 17 of the *Construction Industry Training Fund (Miscellaneous) Amendment Act 2024*, review the amount referred to in subsection (1) and may, following a review, recommend to the Minister that the amount be adjusted.
- (4) Where—
 - (a) building or construction work is to be carried out on agricultural land; and
 - (b) some or all of the work is to be carried out by the owner of the land, or by a person who will not be employed or engaged for remuneration to perform any part of the work; and
 - (c) the owner of the land applies for the benefit of this provision in accordance with the regulations,

the estimated value of the building or construction work will, for the purposes of the calculation and imposition of the levy, be taken to be as follows:

$$EV = V(1 - A)$$

Where

EV is the estimated value

V is the value that would apply for the purposes of the calculation and imposition of the levy except for this subsection

A is a reasonable estimation of that proportion of the building or construction work that is attributable to the work carried out by the owner of the land, or by a person who will not be employed or engaged for remuneration to perform any part of the work, expressed as a percentage of the total amount of building or construction work to be carried out.

- (5) For the purposes of subsection (4)—

owner of land includes a person who holds land from the Crown by lease or licence.

24—Liability of project owner to pay levy

- (1) The project owner in respect of any building or construction work is liable to pay the levy on that building or construction work.
- (2) The project owner must pay the levy to the Board or a collection agency—
- (a) before obtaining building approval for the relevant building or construction work; or
 - (b) if no building approval is required, before commencing that building or construction work.

Maximum penalty: \$5 000 plus twice the amount of levy required to be paid.

- (3) Where building or construction work is to be assessed by a relevant authority, the authority must not approve the work unless satisfied—
- (a) that the appropriate levy has been paid; or
 - (b) that no levy is payable.
- (4) Notwithstanding subsections (2) and (3), if—
- (a) building or construction work is to be carried out for or on behalf of a government authority by a person or body other than—
 - (i) an officer or employee of a government authority; or
 - (ii) another government authority; and
 - (b) building approval is required for the relevant work but at the time that the building approval is sought the government authority has not engaged the person or body to carry out that work,

then—

- (c) the building approval may be granted without payment of the levy; but
- (d) the person or body engaged to carry out the building or construction work must pay the levy before the commencement of the work.

Maximum penalty: \$5 000 plus twice the amount of levy required to be paid.

- (5) It will be taken to be a condition of any contract for the performance of building or construction work where the work is to be carried out for or on behalf of a government authority by a person or body other than—
- (a) an officer or employee of a government authority; or
 - (b) another government authority,

that the person or body will pay any levy due under this Act in accordance with this section.

- (6) Despite a preceding subsection, the Board may, by notice to a particular project owner or by notice in the Gazette—
- (a) determine that a requirement of this section will not apply to a particular project owner, or to project owners of a particular class; and
 - (b) determine that a levy may be paid in monthly instalments, or in other periodical instalments determined by the Board, in accordance with a scheme established by the Board.
- (7) The Board may, by subsequent notice, vary or revoke a determination under subsection (6).
- (8) A person must not contravene a determination under subsection (6)(b).
Maximum penalty: \$5 000 plus twice the amount of levy required to be paid under the determination.
- (9) In this section—
relevant authority has the same meaning as in the *Planning, Development and Infrastructure Act 2016*, but does not include a subsidiary of a council under the *Local Government Act 1999*.

25—Penalties for late payment of levy

- (1) If a project owner fails to pay any levy due under this Act in accordance with the requirements of this Act—
- (a) the amount in arrears will, until paid, be increased by penalty interest at the prescribed rate under subsection (2); and
 - (b) the Board may impose on the project owner a fine of an amount (not exceeding the prescribed sum) fixed by the Board.
- (2) The prescribed rate under this subsection is the 10 year bond rate declared by the South Australian Government Financing Authority in respect of investments made on the first day of the financial year during which penalty interest becomes payable under subsection (1).
- (3) The Board may for any proper reason remit penalty interest or a fine imposed under subsection (1) wholly or in part.
- (4) The imposition of a penalty under this section does not affect the liability of a project owner to pay a levy.

26—Notice of variation

A project owner must notify the Board within three months after the completion of building or construction work if the actual value of the work (as determined under this Act) exceeds the estimated value of the work by the amount prescribed by the regulations.

Maximum penalty: \$5 000.

27—Adjustment of amount paid

If the Board is satisfied that the actual value of the building or construction work on completion (as determined under this Act) varies by an amount of \$25 000, or such other amount as may be prescribed, from the estimated value—

- (a) where the value of the work was overestimated, the Board must refund to the project owner an amount equal to the excess levy paid; or
- (b) where the value of the work was underestimated, the project owner must pay to the Board an amount equal to the additional levy that would have been payable if the estimated value of that work had been the actual value of that work.

28—Cancellation of project

- (1) The project owner may notify the Board if any building or construction work or part of any building or construction work is not carried out after the levy is paid for the work.
- (2) On receipt of a notice under subsection (1) and on proof to the satisfaction of the Board, the Board must refund to the project owner the amount of the levy paid in respect of the work or part of the work not carried out.

29—Recovery of levy etc

The Board may recover in any court of competent jurisdiction—

- (a) amounts of the levy that are due for payment; and
- (b) other amounts due to the Board under this Part.

30—Offence to provide false information

A project owner who provides to the Board or a collection agency any information or document that is false or misleading in a material particular regarding building or construction work or its cost is guilty of an offence.

Maximum penalty: \$10 000 plus twice the amount of levy required to be paid in respect of that work.

Part 5—The Construction Industry Training Fund

31—Construction Industry Training Fund

- (1) The Board must establish and maintain a Fund to be called the *Construction Industry Training Fund*.
- (2) The Board will be responsible for the administration of the Fund.
- (3) The Fund will consist of—
 - (a) all levies collected under this Act; and
 - (b) all penalties collected under this Act; and
